MISSION

1. To reach each child Globally to show them the power of Brain Activation.
2. Giving access to strength one can gain with the help of Brain Activation.
3. To promote and recognize each person working in this field.

VISION

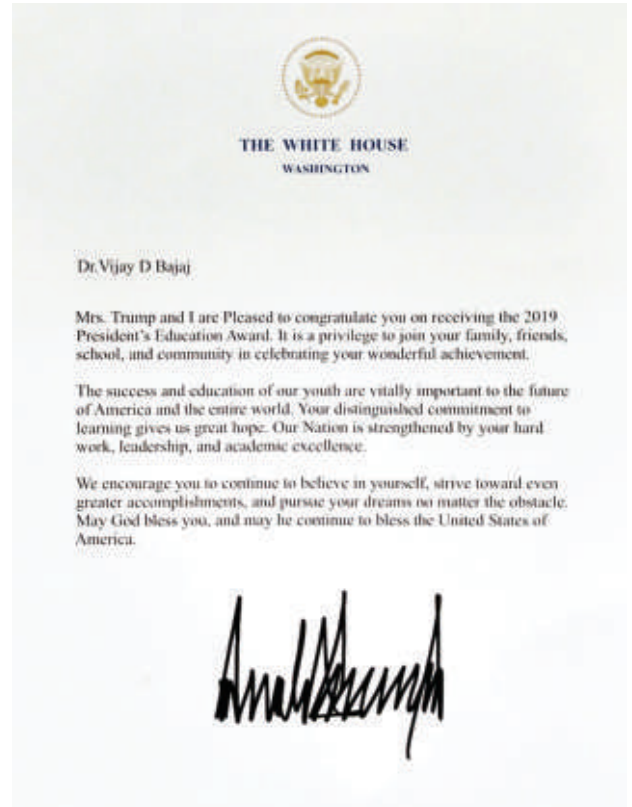

1. To make each child mentally and Morally activated and self dependent to face the day-to-day activities.
2. To make children aware of their hidden strength by helping them recognize their point of strength.
